Dominique Forrester
California Department of Toxic Substances Control
8800 Cal Center Drive
Sacramento, CA 95826-3200

Dear Mr. Forrester:

Enclosed for your information is the revised schedule for submitting primary documents under the Fort Ord Federal Facility Agreement (FFA) pertaining to timetables and schedules for the environmental investigation concerning per- and polyfluoroalkyl substances (PFAS) at the former Fort Ord.

The schedule for the PFAS investigation was revised to reflect the conclusion in May 2026 of agency review period for the draft Quality Assurance Project Plan, Remedial Investigation for Per- and Polyfluoroalkyl Substances. Submittal of the draft-final version will be scheduled for July 2026 per Fort Ord FFA Section 7.7(e). A copy of the finalized schedule is enclosed.

A copy of this letter will be furnished to Ms. Maeve Clancy of U.S. Environmental Protection Agency, Mr. Alberto Gutierrez of California Department of Toxic Substances Control and Ms. Amber Sellinger of California Central Coast Regional Water Quality Control Board. Please feel free to contact me at (831) 242-7920 if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Joelle Lobo". The signature is written in a cursive, flowing style.

Joelle Lobo
Base Realignment and Closure
Fort Ord Environmental Coordinator
