**Cc:** 'ingramgp'; 'Aimee Houghton'; Michael Houlemard  
**Subject:** Just a Reminder: Fort Ord Users Group meets tomorrow at 7:30 AM at the FORA offices.

Hello All,

The Fort Ord Users Group will be meeting tomorrow at 7:30 AM in the FORA offices. We are located at:

100 12<sup>th</sup> Street  
 Building 2880  
 Marina, CA 93933

**Driving directions:** Take the 12<sup>th</sup> Street exit off highway one, go to the first stop light (2<sup>nd</sup> Ave), turn left and go up the hill to the "T" intersection, turn left go down about 5 buildings and turn left again just before the chain link gate that is open. Go down four buildings and the FORA offices will be the brown two story barracks building on the right. Knock load on the front door.

I would suggest that:

- We arrive at the meeting with our thoughts already in writing so that if we run out of meeting time our thoughts can be represented by our written words on a "summary" paper.
- We limit these written documents to one page bullet points of 12 font double spaced so that we can make copies and each attendee can take notes on the others summary papers.
- We put our name and contact information on our summary papers so that we can always know who to attribute the suggestions/thoughts to.
- We format our summary papers to follow the agenda. (See below.)

Some of the ideas that were thrown out at the September 27<sup>th</sup> meeting that the working group could consider are:

1. Choosing the best route(s) for daily users to avoid hazardous areas and use Fort Ord lands.
2. Commenting on a process to make sure that bike events continue in a safe fun manner.
3. Suggesting standard signage to be used to warn users that certain areas are off limits.
4. Develop a protocol for disseminating accurate information out to the User Group Community at large as changes occur.
5. Developing common sense "rules of the road" to share with new comers and visitor who want to use Fort Ord and do not know what which areas to use.

I suggest this for an Agenda for the First meeting:

## Users Working Group

10/9/2007

**Meeting  
October 10, 2007  
Fort Ord Reuse Authority Offices**

1. **Introductions/Affiliations/Activities represented** - So we get to know each other;
2. **List of Activities not represented** – suggestions on how to reach out to the missing folks;
3. **Future meeting times/frequency** – so we all can attend;
4. **Meeting decorum/time constraints for speaking** – so we all get a chance to provide input;
5. **Group goals** – to keep us focused;
6. **Suggestions for access points/corridors through the ESCA properties** – so adjustments can be made as feasible;
7. **Upcoming events/activities that we know of that will/could be affected** – so we have an idea of what to prepare for;
8. **Review assignments** – So we can keep the momentum going; and
9. **Confirm the next meeting time-** Adjournment.

See you tomorrow.

Stan
