

Note 1: Grids shown on the plan are addressed in the following form:
 MCRS-270A: The four-lettering pattern is arranged by listing large grids, medium grids and small grids. For example, LC3-270A is organized where LC3 is the larger grid, MCRS is the medium grid and 270A is the smallest sub-grid.

Note 2: Topographic overlay map: USGS Marine Quad: 1347

Note 3: Grids shown in MRS-130 are abbreviated. For example, '31' corresponds to OE-138-014.
