

U.S. Army Community Outreach Update

Long Term Actions Underway:

1. Continued the process to tally and record the results of the 2019 Community Surveys in preparation for the Analysis of the 2019 Survey results and 2019-2020 Community Involvement Activities.
2. Assist USEPA with outreach actions/publication related to delisting activities.

Recent Activities:

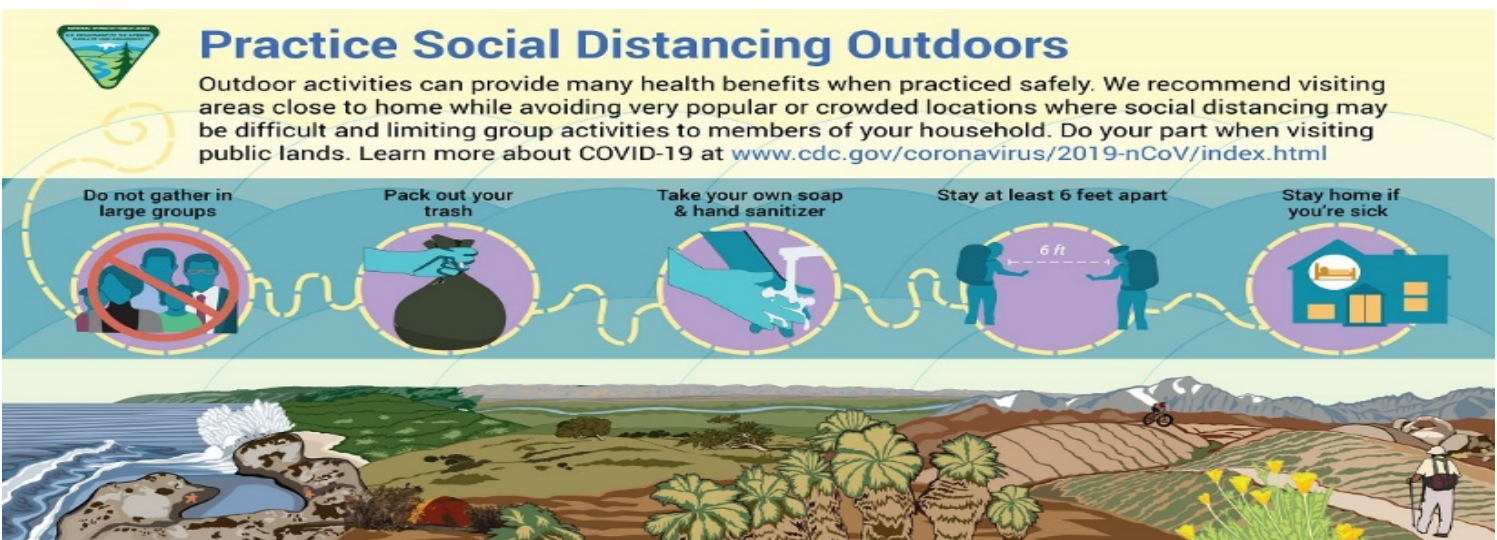

1. Completed Annual Report that is distributed to over 67,000 community members in and around the Salinas Valley – Monterey Peninsula community.
2. Updated News section of web site with several articles.
3. Discussed cleanup activities with community member Jacklyn S.

Upcoming Activities:

1. Fall letter to offer munitions safety training class to local elementary schools.
2. JAN (date TBD) Dry Run for Technical Review Committee (Topic: Soil and Water Cleanup).
3. 11FEB Technical Review Committee meeting—call in only.
4. FEB (date TBD) Possible Community Involvement Workshop—format is uncertain.

In Progress Response to Community Comments (RTC)

	There are no community comments with outstanding responses.
