Dear Mr. Hausladen:

Enclosed for your information is a schedule for submitting primary documents under the Fort Ord Federal Facility Agreement pertaining to timetables for Operable Unit Carbon Tetrachloride Plume documents. The schedule was revised to reflect the proposed title of the A-Aquifer Enhanced In Situ Bioremediation Remedial Action Construction Completion Report.

A copy of this letter will be furnished to Mr. Lewis Mitani of your office, Mr. Ed Walker and Mr. Franklin Mark of the California Department of Toxic Substance Control, and Mr. Grant Himebaugh of the California Regional Water Quality Control Board. Please feel free to contact me at (831) 242-7918 if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "William K. Collins".
