

# U.S. Army Community Outreach Update

## Long Term Actions Underway:

1. Completed Analysis of the 2019 Survey results and 2019-2020 Community Involvement Activities report. Currently in internal review and will be issued February 1, 2021. Analysis indicates no changes to outreach structure and activities.
2. After the Analysis report (above) is final, the Army will issue the 2021 community outreach survey. Survey will be accepted through June 30, 2021.

## Recent Activities:

1. Updated News section of web site.
2. Forwarded a copy of the Spanish language version of the Annual Report to community member in December. This makes two requests for Spanish translation for this document.
3. Sent (December) letter to schools offering on-line munitions safety training via DENIX and FortOrdSafety.com.
4. Added PFOA/PFOS fact sheet to the web site on December 22, 2020.
5. Responded to Monterey Herald media inquiry (15JAN21) regarding partial deletion proposal.
6. Sent munitions safety reminder (20JAN21) via email and posed on News section of web site.

## Upcoming Activities:

1. Tentative 27JAN Publication of Public Comment Period for Finding of Suitability to Transfer (FOST) Number 11, Amendment Number 1. Publication in Monterey Herald, Salinas Californian, and posted in News section of FortOrdCleanup.com.
2. 4FEB 10am Dry Run for Technical Review Committee (Topic: Soil and Water Cleanup plus ESCA update).
3. 11FEB Technical Review Committee meeting— call in only.
4. Future: Possible Nature Walk(s) however, timing is uncertain due to the pandemic shelter-in-place requirements.

## In Progress Response to Community Comments (RTC)

|                                |   |
|--------------------------------|---|
